

BuilderBuddy Retail Pricing

BuilderBuddy requires a licensed copy of Intuit *Master Builder* and a license for Document Control for every BuilderBuddy license. BuilderBuddy currently supports the following:

- ☞☞ Daily Field Reports and Punch Lists
- ☞☞ Updating Schedules
- ☞☞ Creating/Updating Change Orders and Purchase Orders
- ☞☞ Special Reports for All the Facilities Above
- ☞☞ Creation of Invoices for Field Deliveries
- ☞☞ CRM Interface to *ACT!*, GoldMine, Outlook & SalesLogix
- ☞☞ Viewing *Master Builder* Reports that Are Scheduled and Stored of PDFs

BuilderBuddy is supported on PCs, laptops and tablet PCs through Internet connections. Offline synchronization will be supported by the end of the 2nd quarter of 2004. Daily Field Report and Punch Lists will be supported on Palm Pilots, Pocket PCs and Cell Phones by the end of the 2nd quarter of 2004:

Pricing:

BuilderBuddy			
Item	Named User/s	Your Cost (Per User)	Acquisition Cost (Maintenance)

CRM Interface	Unlimited	N/A	\$750 20% - Annual
User License	2-5	\$450	20% per User
User License	6-10	\$405	20% per User
User License	11-20	\$385	20% per User
User License	20+	\$360	20% per User

Order on our Web Site: www.dBDynamics.com or call us at (703) 330-1026 X44

For example, the cost for BuilderBuddy with 3 named users would be:

$$\text{\$1,500 plus } \$1,350 = \$2,850 + 20\% = \$3,420$$

for the first year (for 3 users in addition to Administrator).

Leasing: We can arrange affordable leasing for software, hardware (Web Server, Tablet PCs, etc.) and Consulting Services if you wish.

Consulting Support: \$125 per hour (we will help configure your Web Server)

Order on our Web Site: www.dBDynamics.com or call us at (703) 330-1026 X44
